CITIZEN

High speed POS printing with front exit
Hospitality highest standard

CT-S851II

Applications

- Hospitality
- Kiosk
- Kitchen
- Retail

LCD display

The industry's first POS printer with LCD display for easy configuration and operation. Many set up options and coloured status or error messages.

In a hurry?

With 300mm/sec. print speed the CT-S851II is the fastest POS printer in the market.

Tool-free maintenance

Paper jam? No problem for the CT-S851II. One hand grip and the cutter is released automatically. No tool is needed. Even if the long-life cutter ever needs to be exchanged. Thanks to it's Snap-In design this only takes 30 seconds.

High speed printing with unique ease of use
